

The Weekly Schedule

Last Updated Monday, 31 March 2008 21:25

The Weekly Schedule contains information on shows that should be played on a recurring, weekly basis.

This is the SECOND place that the LOR Control Panel will look for instructions on how to run a show. (Remember: It first checks the Calendar!)

The following graphic shows what you would see if you were to schedule a show for Friday and Saturday night, from 7:00pm - 10:00pm.
